

Moi

aussi

Tu

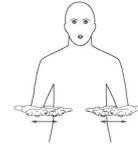

as

espoirs,

tu

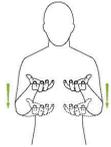

sais

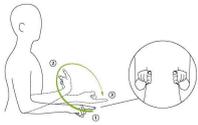

ce

que

tu

veux,

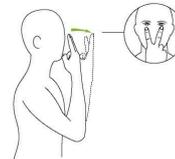

Tu exploreras

des terres

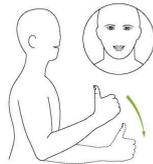

in-

connues,

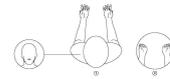

Tu fais

de ton

mieux,

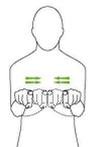

au moins en grande partie,

Et

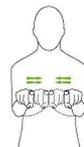

moi

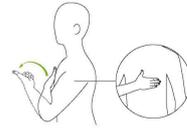

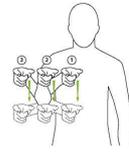

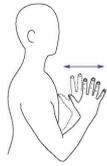

aussi,

moi

aussi.

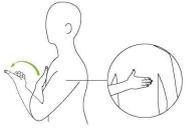

Tu

as

sûrement tes

héros

préférés,

Tu

aimes

la

guitare,

tu

aimes

danser

et

chanter,

Tu

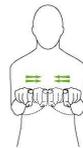

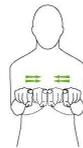

adores

les

fous rires

et

les câlins,

Et

moi

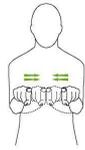

aussi,

moi

aussi.

Moi

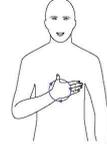

aussi,

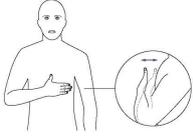

parfois

je

ris,

j'ai peur,

je

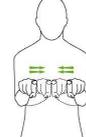

doute,

je

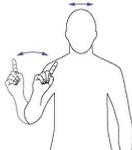

rêve

aussi,

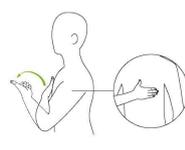

Moi

non

plus, je n'

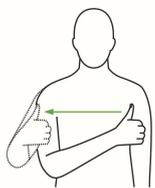

aime

pas

être

exclus,

je

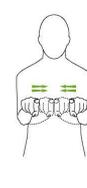

suis

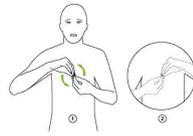

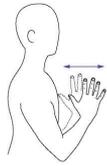

ici,

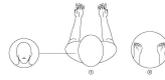

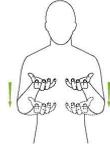

moi

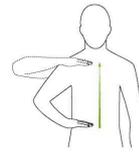

aussi.

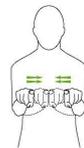

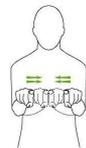

Tu subis de petites crises de temps en temps,

Mais tu entends croquer la vie à pleines dents,

Tu connais l'amour, son pouvoir infini,

Et moi aussi, moi aussi.

Moi

aussi, je

mange

ma

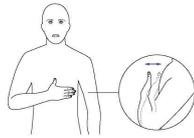

soupe,

Moi

aussi, j'ai

peur

du

loup,

Moi

aussi, je fais des plans,

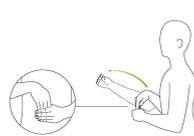

Moi

aussi, j'ai ma chanson,

Moi

aussi, je

sors

le

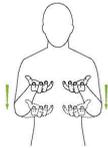

soir,

Moi

aussi, je

veux

savoir,

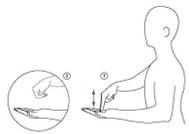

Moi aussi, je perds la tête,

Moi aussi, je m' inquiète,

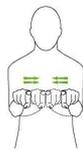

Moi aussi, je crie parfois,

Moi aussi, je saute de joie,

Moi aussi, j'ai ma propre voix,

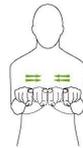

Moi aussi, j'ai les mêmes droits,

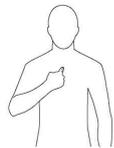

Moi aussi, je me sens bien,

Moi aussi, je suis moi-même,

Moi aussi, je suis comme toi,

Et toi comme moi, comme toi, comme

moi...
